

Help Plan for the Future!

What do you envision for your Rural Municipality, Town, Village and surrounding area in the future? Imagine 25 years+. What does it look like? Who's living here? What kinds of businesses and industry activities are going on? Where are people playing when they're not working? These are the types of questions we want to ask you.

The RM of Ituna Bon Accord #246, Town of Ituna and Village of Hubbard are undertaking a planning project to plan for the future of the region. These municipalities have come together to work towards the creation of a District Official Community Plan - a comprehensive planning framework for our future.

As a community stakeholder we value and need your guidance and feedback as we venture forward in developing our District Official Community Plan for this region. Sharing in the direction of our community's vision, goals and opportunities belongs to us all. We'd like to discuss a number of planning themes including though not limited to: land use potential, recreational amenities, social development – health/safety/education, transportation, infrastructure, natural resources and ecological sensitivities, community economic development and tourism and inter-municipal relationships.

Our planning consultant, Prairie Wild Consulting Co., will be facilitating two Community Engagement Meetings within the region to develop our District Official Community Plan and individual Zoning Bylaws.

We would like to invite you to an upcoming Community Meeting that will be held at the Sacred Heart Parish Centre on January 28th, 2012. The meeting will be held from 10:00am to 1:00pm with a soup and sandwich lunch following.

The purpose of this meeting is to discuss the future possibilities for the RM of Ituna Bon Accord #246, Town of Ituna, and Village of Hubbard.

In order to prepare properly for the lunch, please RSVP to the R.M. #246 Office at 795-2202 or the Ituna Town Office at 795-2272 prior to Fri., Jan. 20/12.

If you have any further questions please contact Megan Taupadel with Prairie Wild Consulting by phone, 281-9162 or by e-mail, megan.taupadel@prairiewildconsulting.ca

We look forward to seeing you there!
